Attractive Living in Danube City

The garage floor also houses a commercial garage. Due to the special location the foundation plate was built on SOB large bored piles. The lowest floor was designed according to the "white tank" guidelines. The constructed area covers approximately 173,000 m³.

Impressions

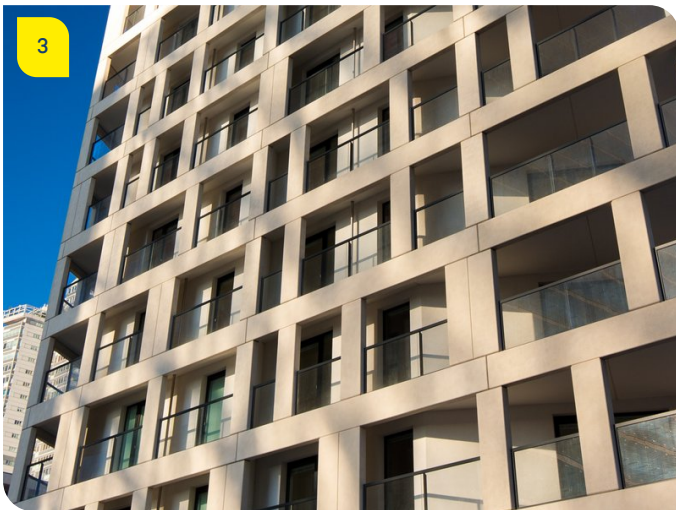

Image notes

1

DC Living

Precise design for maximum comfort

2

DC Living

Living in a centrally situated location

3

DC Living

Outstanding architecture in the 22nd Vienna municipal district
